TO ALL NC MEMBERS

Dear Comrades,

We would like to call your attention to an error found in the transcripts of the Bay Area Black Panther Party discussions.

Beginning on page six of the transcript of contributions by SWP and YSA NC members during the meeting of July 31, there is included a contribution which we attributed to Paul Montauk. This was actually presented by Paul McKnight who is a San Francisco youth NC member.

Your copy of the transcript should be corrected accordingly.

Comradely,

*Joanna Misnik*
