TO ALL ORGANIZERS

Dear Comrades,

The newest YSA pamphlet, "Land or Death: Hugo Blanco and the Peasant Struggle in Peru," will be available for distribution in about one week. It is a 24-page pamphlet, selling for 25¢, dealing with the life of Hugo Blanco, his struggle to organize the peasants in Peru, and the international fight to gain his release from prison. It will be a big help in our general defense work for Latin American political prisoners, in addition to the Blanco defense effort.

Regular discounts on YSA pamphlets will apply, and initial orders can be made on the form at the bottom of the page.

Both the "Che" poster and the "Viva Cuba" poster have been rerun and we now have a large supply on hand. Orders on the Cuba poster that we were not able to fill at the SWP convention will be sent out shortly, but if larger quantities are needed, comrades should let us know. Unfortunately, there was some confusion on the price of posters at the SWP convention, but the cost is 50¢ apiece on orders of 20 or less, and 20¢ apiece on orders over 20.

Due to the popular demand for a cheaper and more readily usable form of the Che poster, we have had it made into a sticker. In order to save time on waiting for orders, we have mailed to each local either one or two bunches of the stickers (900 per bunch). The cost is 50¢ per hundred, and the locals will be billed for the number already sent. If you can use larger quantities of the stickers, send in an order.

Comradely,

Mary-Alice Waters
