

64. In Defense of Marxism by Leon Trotsky 2.00  
This essential Marxist work is now available in a beautiful British edition. Essential to understanding the nature of the Soviet Union and of the Marxist method.
65. Problems of the Fourth International by Gerry Healy .40  
This pamphlet explains what the split with the Pabloite revisionists is all about and makes an assessment of the evolution of the Socialist Workers Party since its split with the International Committee of the Fourth International.
66. Revolution and Counter-Revolution in Hungary by Gerry Healy .40  
Published on the tenth anniversary of the Hungarian Revolution this pamphlet tells the truth about the political revolution against Stalinism.
67. Spartacus by Rosa Luxemburg .40  
Luxemburg's last speech, made just before she was murdered by the social democrats, gives a picture of the outlook of this great revolutionist under the impact of the October Revolution and in the midst of the German Revolution.
68. In the Middle of the Road by Leon Trotsky .25  
A classic study of centrism based on the role of the British Independent Labour Party in 1935.
69. International Correspondance  
The fortnightly publication of the International Committee of the Fourth International. Carries commentary on the struggle for Marxism and for the building of revolutionary parties throughout the world. Yearly subscription rates: surface mail--\$6; air mail--\$10.
