ELECT A SOCIALIST REP-AT-LARGE MAURICE O'CONNELL

HERE IS HIS PROGRAM:

- .For complete Academic Freedom, against the contract oath, the policy, and the spineless support given to the professors by the ASUC.
- .Withdraw University recognition from any discriminating sorority, fraternity, or bigoted private housing operator.
- .Give the Graduate students a voting Rep-at-Large.
- .STUDENT GOV'T. BY THE STUDENTS--Voice but no vote for alumni, faculty, and president's representatives on the Ex Committee.
- .Against compulsory ROTC, let the students vote on this.
- .UC must sponsor LOW COST HOUSING, and turn the book store into a real Co-op by cutting book prices.
- .PUT THE INITIATIVE into the ASUC constitution--Give the students a chance to participate in their gov't.
- .For a Fair Beer starvation wage of at least \$1.20 per hour. Boycott all penny pinching employers!

MAURICE O'CONNELL is a member of the Socialist Youth League, AVC, Junior Varsity Debate, and has picketed the Ford Theater in Baltimore in the face of Ku Klux Klan opposition.

We oppose the quasi-legal decision of the appointed Judicial Committee, forbidding nine candidates the elementary right to campaign on campus before their constituents.
