GUIDE TO THE SUBJECT INDEX

This subject index covers issues of Workers Vanguard published during 2005, from issue No. 839 (7 January) through the end-of-the-year issue No. 860 (9 December). During this time, WV was published biweekly, except skipping three alternate issues in June, July and August, and skipping the last issue in December.

 The fullest listing is by SUBJECT. Subject headings are arranged alphabetically. Entries are listed chronologically with two exceptions: all entries comprising a series are listed together immediately following the first entry of the series; corrections immediately follow the relevant entry. An asterisk (*) after the page location of an entry indicates that a correction follows.

Entries are listed under subject heads. In some cases, subject heads are broken down into subcategories. These subcategories are listed immediately after the initial subject head and preceded by a dot (*). The numbers following each entry headline give the issue number, date and page number(s) for the article. Thus:

Labor: Organize Wal-Mart!, #851, 8 July (16, 10, 11) means the headline of the article, issue No. 851, dated 8 July 2005, beginning on page 16 and continuing on pages 10 and 11.

No entry is listed twice; refer to cross-references for guidance in locating the subject head for particular articles.
 Cross-references are of two types: those following the word "see" deal centrally with the subject head; those following the words "see also" are related articles. Subject heads in cross-references are separated by a semicolon, while subcategories of subject heads are separated by a comma. Thus:

Padilla, Jose—See Civil Liberties: General, Padilla Case. means that articles about Jose Padilla can be found by going to the subject head Civil Liberties and looking

under the subcategories General and Padilla, Jose.

• Individuals mentioned in articles are usually not listed separately unless the article is primarily about the given person. Foreign political organizations are generally listed under appropriate countries, while U.S. political organizations are listed under their organizational names.

 Articles relating to foreign countries are listed under geographical headings and not normally under any other subject heading. Articles which deal centrally with U.S. foreign policy will be found under U.S.: International Relations or under the relevant geographical heading. Those articles that refer to the U.S. occupation of Iraq will be found under IRAQ: U.S. War and Occupation.

Articles on protests or repression that take place on a campus will generally be found under the subject of the protest or repression. Repression on miscellaneous subjects will be found under CAMPUS REPRESSION.

 The periodic columns by death row political prisoner Mumia Abu-Jamal are listed under-the subject heading ABU-JAMAL in the subcategory Message from Death Row; articles on his case and the campaign to free him are in the subcategory Defense Campaign.

 Articles under the Class-Struggle Defense Notes (CSDN) masthead are by the Partisan Defense Committee. a classstruggle. non-sectarian, legal and social defense organization associated with the Spartacist League.

Abbreviations used in entries are:

C: Correction

CSDN: Class-Struggle Defense Notes article

E: Editorial Note

L: Letter R: Review

S: Series
