

### 2-Groups Unite To Plan City Relief March

#### Workers' Alliance and Unemployment Council Confer on Plans

There will be one united front demonstration of New York's organized unemployed next month. The local organizations of the Workers' Alliance of America and the National Unemployed Councils will march together, in bringing the present starvation relief policy to the doors of Mayor LaGuardia and the WPA and ERB authorities.

At a conference yesterday afternoon representatives of the two unemployed groups, held at the offices of the Workers' Alliance, 41 East Twenty-first Street, this decision was arrived at. The demonstrations planned by each group were merged into one outstanding affair.

### 50th Anniversary Of Bakery Union Is Celebrated

The Golden Anniversary of the Bakery and Confectionary Workers International Union of America is being celebrated with appropriate exercises in all locals of the union during the current month.

The present nation-wide organization of bakers was formed at a convention held in Pittsburgh, Jan. 13, 1886. At that time there were local organizations of bakers in about a hundred cities and towns.

The union became a real power after its international center was set up, only to suffer later when bakers fell more and more into the hands of enormous mechanized bread and biscuit factories.

During recent years penetration of the bread trust plants has taken place. The union estimates that there are now 200,000 employees with a right to join its ranks.

### Dress Shipping Clerks Prepare for Walkout

#### Will Join General Dress Strike on Feb. 1 if Demands Are Not Met—Cutters' Local Group Calls Meeting for Tonight

Ten thousand dress shipping clerks, porters, packers, push boys and other non-manufacturing workers plan to join the coming general strike in the dress industry on Feb. 1, if their demands are not granted.

P. A. Alken, president of the Ladies Apparel Shipping Clerks' Union, Local 9963, A. F. of L., made this announcement yesterday at the union's new headquarters, 801 Eighth Avenue.

Pointing to the general strike of 1935, in which 15,000 shipping clerks, push boys and other workers were involved, Alken declared that the union is preparing to strike in co-operation with the dressmakers, and for such demands as were not granted at the time of the last strike.

Flying Squads Ready Active preparations for the strike are under way, according to Mike Goldberg, chairman of the organization committee, who reported that "flying squads" were again being organized "to bring down every dress shop."

From the needle trade union groups also came word that a call for a united front in Cutters' Local 10, International Ladies' Garment Workers' Union, had been issued by the United Rank and File Cutters' League.

The need for unity in the large and powerful cutters' local, where six different groups exist at present, has caused the Rank and File League to arrange an open forum for this evening at 6 o'clock, at Christ Church, 344 West Thirty-sixth Street, to which leading members of the various groups are invited to attend and speak.

The meeting, sponsored by the Federation, will be held at the St. Nicholas Palace, 68th Street and Columbus Avenue, Wednesday, Jan. 29 at 8 P. M., two days before Hitler issues his third anniversary blast to the Reichstag, and will also serve as a tribute to the martyred heroes of Nazi Germany—the 2,000 killed and the 100,000 imprisoned in concentration camps, victimized in the struggle for freedom, peace and justice.

The roster of speakers who have already consented to appear, represents a cross-section of America, and already includes General Smedley D. Butler, who will speak on the fate of German War Veterans; Oswald Garrison Villard, who will tell of the destruction of democracy and civil liberties by the Nazis; Rabbi Israel Goldstein, who will speak on the Jews in Germany; Dr. Henry Smith Leiper, of the Federal Council of Churches of Christ, who will discuss the Nazi desecration of freedom of religious conscience; and Jonathan Eddy, Executive Secretary of the American Newspaper Guild, who will speak on the Nazi betrayal of Labor.

Clark M. Eichelberger, Executive Secretary of the League of Nations Association, will be chairman.

In order to ensure the greatest possible attendance, the Anti-Nazi Federation urges all organizations to keep the date open. With the interest stimulated in the meeting by the variety of speakers, mass attendance is anticipated. The Anti-Nazi Federation urges all organizations to keep the date open.

### Police Drive Jobless Men From Bureau

#### Relief Officials Snub Needy Group Which Asks for Aid

Officials of the Home Relief Bureau at Powell and Sutter Streets, Brownsville, yesterday refused admittance to a delegation of thirty-five workers from the Single Unemployed Protective League, 78 Thatford Avenue, and called to police to drive them away from the bureau when they set up a picket line in protest.

Demands for immediate relief for a number of needy cases were brought to the bureau by the delegation but the officials arbitrarily refused them a chance to present the cases. A squad of police arrived at the bureau a few minutes after the picket line was established and, forming solid line, marched toward the pickets driving them from the sidewalk and away from the building.

Harold Cohen, speaking for the delegation, said, "The refusal to see us and the use of the police to drive us away is part of a policy to keep the single workers divided from the adults on relief. This action will not be taken by us in a passive way. We intend to mobilize our supporters and to fight for our right to human treatment."

### Youth Meeting Will Pay Tribute to World Leaders

#### Amter and Herndon to Talk at Lenin, Liebknecht and Luxemburg Affair—Music, Entertainment and Dancing to Follow Brief Addresses

Mordecai Bauman, popular singer, will open the Lenin-Liebknecht-Luxemburg Memorial at Rockland Palace, 155th Street and Eighth Avenue, Saturday, at 8 P. M. with a program of four songs.

This year's meeting promises to be something "different." The program has been divided into three parts: speaking, entertainment, and dancing.

I. Amter, district organizer of the New York District of the Communist Party, and Angelo Herndon, will be the speakers. Not only will they point out the importance to the youth of the teachings of Lenin, Liebknecht, and Luxemburg, but they will emphasize the significance of the efforts on the part of the reactionaries to squelch the Nye Senate Munitions inquiry, which has brought to the light of day some of the murderous dealings of the House of Morgan. The meeting will serve as a protest rally against Morgan's past and present preparations for war, and will demand the continuation of the inquiry.

The entertainment, besides Mordecai Bauman, will feature Ann Sokolov's Dance Unit, the most famous of all revolutionary dance groups. They will perform a thrilling anti-war dance, specially prepared for this meeting. A surprise feature will also be shown. This feature has never before been shown at any Communist meeting or affair, and promises to be a real thrill of the evening for all present.

The meeting and entertainment will begin at 9:30 P. M. Dancing will then begin and will continue until 2 A. M. Admission is 40 cents at the door and 35 cents in advance.

### Food Unions Score Hotel Fingerprinting

#### Committee Protests Against Practice as Anti-Union

Action against the fingerprinting of hotel and restaurant employes, which was condemned at Thursday's meeting of the Central Trades and Labor Council, was under consideration yesterday by Industrial Commissioner Elmer F. Andrews.

A committee of union representatives visited the commissioner on Monday and protested against the taking of fingerprints by a private agency. It was stated that the practice was being introduced in all the hotels of the city.

Two Point Complaint Complaint was made on two points: first, that employes were being required to pay the \$1 fee, and second, that the fingerprints were being made and kept by a private agency.

Under the present system, the union committee declared, two copies of all fingerprints are made, one going to the employer and one to the files of the private agency. It is contended that the system will be used to discriminate against workers found to be members of unions and active in union affairs.

Many Unions Protest Among those who conferred with Commissioner Andrews were William Lehman, secretary-treasurer,

Walters and Waitresses Union Local 1, Manhattan; Eli Hasman, president, Waiters and Waitresses Union Local 2, of Brooklyn; Michael Overmeier, general secretary, Hotel and Restaurant Workers' Union, Local 119; Harry S. Koenig, labor chief, Restaurant Employees and Bartenders Industrial Union, Local 16, and Aladar Retek, organizer of the same union, and Elinor Mishnum, New York Women's Trade Union League.
