THE VICTIMS OF CAPITALISM

WORLD'S two million are unemployed. There are 100 million in the world who are unemployed. There are 100 million in the world who are unemployed. There are 100 million in the world who are unemployed.

"For the first time in our history the two most important parties that are supposed to divide the people are without a vital or debatable opinion. To say that a man is a democrat or a republican is no longer only empty rhetoric. THE ONLY PARTY THAT HAS A DISTINCT ISSUE, PREACHED AND MAINTAINED WITH ENTHUSIASM AND HARMONY, IS THE SOCIALIST PARTY, and that is the reason it is making so much headway among the voters of the country."--Ex-Governor, Joseph W. Folk, of Missouri.
