## SOCIALISM AND AMERICANISM

**BY CLAREN BISHOP**  
 One of the essential elements of the American way of life is the American spirit. It is the American spirit that has made the American people what they are today.

The American spirit is the spirit of individualism. It is the spirit of individualism that has made the American people what they are today. It is the spirit of individualism that has made the American people what they are today.

The American spirit is the spirit of individualism. It is the spirit of individualism that has made the American people what they are today. It is the spirit of individualism that has made the American people what they are today.

**LISTEN!**  
 Intelligent people everywhere are turning to the chiropractic profession for relief from the pain of the back. It is the chiropractic profession that has made the American people what they are today.

The chiropractic profession is the profession of the future. It is the profession of the future that has made the American people what they are today. It is the profession of the future that has made the American people what they are today.

## State Platform of the Socialist Party of Oklahoma

**Adopted Annual State Convention at**  
 Oklahoma City, Feb. 28th, 1920.

The Socialist Party of Oklahoma reaffirms its adherence to the platform of international socialism and its belief in the best political system of the world.

We believe that the only system which has been shown to be capable of bringing about the necessary reforms is that of socialism.

The masses are a natural product of the present system of capitalism, and we believe that the only way to bring about the necessary reforms is through the adoption of socialism.

**Art. 1.**—For the working class and the unemployed, we demand: 1. The nationalization of the means of production, distribution and exchange. 2. The abolition of child labor. 3. The abolition of the profit system. 4. The abolition of the wage system. 5. The abolition of the stock market. 6. The abolition of the land monopoly. 7. The abolition of the patent system. 8. The abolition of the trademark system. 9. The abolition of the copyright system. 10. The abolition of the patent system.

**Art. 2.**—We demand the immediate abolition of the profit system and the establishment of a system of socialism. We demand the immediate abolition of the profit system and the establishment of a system of socialism.
