Honest Election Conference

HONEST ELECTION CONFERENCE

At the meeting of the Democratic National Convention at St. Louis, Monday, the Governor's party was represented by J. T. Cramer, candidate for Governor, John G. Wicks, candidate for Lieutenant Governor, W. H. Brantner, C. B. R. Smith, W. H. Brantner and P. H. Smith. The Republican party was represented by Joe McNeal, candidate for Governor, and the Democratic party was represented by Lee Cronin, Leo Meyer and others.

Mr. DeLeon, Republican, called for a resolution which would prohibit a "secretive" candidate at each party and each candidate as would be the case in the election. This plan was ordered by the vote of the Democratic party with the exception of the resolution as to the election of their delegates to accept an honest election.

and when they were defeated, the Democrats failed the convention. With the Democratic Convention a Republican chairman and Democratic secretary was elected, and the delegates returned to be bound by the vote of the convention. It is interesting that they wanted a honest election, and only wanted to be represented by Joe McNeal, candidate for Governor, and the Democratic party was represented by Lee Cronin, Leo Meyer and others.

HOW TO VOTE UNDER LEAS

TOW LAW NOW IN FORCE

There seems to be considerable misunderstanding over the state as to the nature of the law which was passed by the Legislature on the 15th of October. The law is not a law which is to be enforced by the courts, but it is a law which is to be enforced by the Legislature. The law is not a law which is to be enforced by the courts, but it is a law which is to be enforced by the Legislature.
